

Home/School Hybrid

We are pleased to offer this unique, two day a week Home/School Hybrid option. Students attend Agape Christi two days each week in their grade level and then work at home with their parents on the other three days. Parents will be given a syllabus of the daily “home work” to be completed for class, as well as a detailed account of the content covered in class each week.

We hope this provides great help to homeschooling parents and students. Students get to go to school, following the same academic plan as their five-day peers, and also work at home with their parents!

Grades 1&2: Tuesdays and Fridays

Grades 3&4: Tuesdays and Thursdays

Grades 5: Wednesdays and Fridays

Course instruction:

Math, Composition, History, Science,
Music, Art, Latin, and Physical Education
