ROCKBRIDGE ACADEMY

is currently pursuing purchase of an existing school facility that would allow our K-12 program finally vacate crowded rental space and exist at one location with room to grow. A critical pledge drive is about to get underway. Please pray for the Lord's provision and redemptive work in this undertaking. 8/18

GRACE CHRISTIAN ACADEMY

in NY is in need of prayer for a bigger facility and for our Spring Gala upon which we rely heavily to produce much needed compensation for our financial aid students. Nassau County is the highest cost of living in the country, is the 29th largest county in the country, is the 99th least reached for the Gospel, and is less than 3% evangelical. Funding for anything that relies on a very small Christian community in a very expensive location is really tough! 8/18

BILLINGS, MT

The ACCS website states that, "If the Lord reveals the need to you, He may be calling you to start a school." After about a year of reflection, contemplation, study, prayer, research, and more prayer, the time has come for me to heed this call, to move forward, and to contact the ACCS. I seek the establishment of a Classical Christian school in **Billings, MT**. Our children deserve the opportunity to attain a Classical Christian education. To this end they need someone to commence the beginning; they need advocates. The schools they currently attend revolve around test-taking, and predominantly focus on the production of college- and career-ready students. Our children deserve so much more. I hope that Billings has a group of parents who, themselves, have been inspired with the goodness and beauty of Classical education, and believe that our community's youth would flourish should such a school be made available. Classical Christian Education in Missions in Africa as a Mission Outreach—Really? How? And Why?

The Rafiki Foundation has established 10 classical schools across the continent of Africa. It is our hope that God will use us to bring Christian Classical education to a continent whose educational system is suffering.

We are looking for educators who can work as missionaries and can commit to a minimum of two years on the field. An ideal candidate will have a Bachelor's degree in their select subject, a love for teaching, a heart for missions, and the adaptability that mission's work requires. The candidate should be a seasoned Christian who seeks to grow in knowledge, wisdom, and grace while also encouraging this growth in others.

Rafiki has these opportunities for classical educators:

Headmasters (4 openings)

Teachers (20 openings)

Dean of the Rafiki Institute of Classical Education (teacher training)– 5 openings

Music educators: 10 openings

Art educators: 10 openings

Persons interested would have to assent to our statement of belief, our mission philosophy, and raise financial support. We are praying that God will use Rafiki to bring classical Christian education to all of Africa through our model schools. Perhaps God might give you or someone you know the opportunity to help Africans know God and raise their standard of living through classical Christian education. Please visit our
