# PRAYER REQUESTS

### ROCKBRIDGE ACADEMY

is currently pursuing purchase of an existing school facility that would allow our K-12 program finally vacate crowded rental space and exist at one location with room to grow. A critical pledge drive is about to get underway. Please pray for the Lord's provision and redemptive work in this undertaking. 8/18

### GRACE CHRISTIAN ACADEMY

in NY is in need of prayer for a bigger facility and for our Spring Gala upon which we rely heavily to produce much needed compensation for our financial aid students. Nassau County is the highest cost of living in the country, is the 29th largest county in the country, is the 99th least reached for the Gospel, and is less than 3% evangelical. Funding for anything that relies on a very small Christian community in a very expensive location is really tough! 8/18

### GRACE CLASSICAL SCHOOL

Our prayer, first and foremost, is that our families will know the Lord more deeply because of this and that He will be glorified in it all. Please pray for the safety of our families and safe places for them to stay. Pray for our moms who are doing this alone. Pray

that the light of Christ will shine through us to Jacksonville upon our return. Pray for the other schools on the coast of the Carolinas and Georgia. 10/18

### HERITAGE CHRISTIAN ACADEMY

is requesting prayer regarding the challenges we will face building our new school. We have purchased property for a new school and are currently in the process of having the county approve a conditional use permit so we can build there. The process is going smoothly overall, but it's a LONG process! We are getting closer to knowing if our project is approved, and now it's time to work on fundraising. The property is raw land so all the infrastructure like turn lanes and roads, utilities, possibly even a satellite or fiber optics to have internet service, will be needed. The costs are enormous, and all that is before we can even begin the buildings. I would really appreciate prayers that God will lead us to the people and organizations/foundations that have the resources we will need to make this leap from a 20-student schoolhouse to a full K-12 Godly campus. 11/18

### PROVIDENCE CLASSICAL SCHOOL IN DOTHAN, AL

is currently asking for prayers for the teachers whose homes were damaged by Hurricane Michael. Give thanks that the school facility suffered minor damage. 11/18

### AGAPE CHRISTI ACADEMY IN EDEN PRAIRIE, MN

In order for our school to grow in numbers we need a new building. We have no savings and this year are using funds from last year to make budget. This means our only option is to rent space. Please pray that doors would open up and like-minded people to come alongside us. Lastly, please pray for more laborers, both in terms families and teachers. Please pray for 10 new families to join us this fall. 2/19

### COVENANT CHRISTIAN IN PANAMA CITY, FL

Thank you for your support and prayers for Covenant Christian School and the Panama City, FL area. We are very appreciative of the ACCS community in this time. It has been incredible. It has now been over 100 days since Hurricane Michael made land-fall. God has been so good in this season. We are working through the physical aspects of rebuilding homes, school, churches, and

community. There is still a great need. We hope to start the repair process of the CCS main building and gym in the next month. We ask you to pray for the school rebuild but please pray for the spiritual and emotional needs of this community. You cannot escape the reminders of this storm where ever you turn debris and trees are still on the ground. Many of our families and staff are still in the midst of the clean up and rebuild process. There has been an increase in stress, anxiety, and depression in the area. Pray the Lord will allow Covenant Christian School and the churches in this area to point those in need to a true source of hope. 2/19

### REDEEMER CHRISTIAN SCHOOL IN MESA, AZ

Please pray for us that the Lord be pleased to: Fill our open staff positions with people passionate about classical and Christian education. Bring more qualified students to our school, we have much scholarship money to offer from our state tax credit donation programs, and not enough students to award. Provision for updates to our aging facility, specifically, our bathrooms are desperate for upgrades, our courtyard needs a makeover to address safety hazards.

We have many new students into our school transferring from public schools this year. They are adjusting to our academic pace, classroom management, and relationships with fellow students. We are observing several of these new students who have large gaps in their academic sequencing, and they are particularly struggling. Please pray for these transferring students.. 2/19

### PETRA ACADEMY IN BOZEMAN, MT

Our Petra community has experienced a terrible loss. Bill Terry, father of Petra students Brady, Abigail, and Brianna, and husband to Petra board member/mom Dana Terry, was tragically killed Thursday morning when a train collided with his vehicle on Heeb Road. Please keep this family in your prayers. 2/19

### LIBERTY CLASSICAL ACADEMY IN WHITE BEAR LAKE, MN

We will be conducting a search for an Assistant Headmaster beginning this week. Please pray for us to find the right person for our school and that they will not only be a good fit for the position as it currently stands, but have the skills necessary to move into the headmaster role after a num-

ber of years. Thank you for your prayers. 2/19

### COVENANT CLASSICAL SCHOOL IN NAPERVILLE, IL

Please pray as we seek God's guidance and provision for a permanent location that will help us grow and add Rhetoric. 2/19

**DANIELLE LORENE SABA**

Position desired: Administrator,  
Other Position, Teacher

I strongly believe in the philosophy of classical education. I believe the backbone of education should be rooted in a Biblical worldview which then infuses learning with depth and richness, truth and beauty. I've taught through all three stages of the trivium. I started my teaching in Grammar school (4th grade specifically). As time went on and I developed a better understanding of classical education, I moved into varying grades. I now teach in both the Logic and Rhetoric schools at my current school (5th/6th and 9th/10th). It has been a joy to dive into the world of classical education and challenge students with a rigorous yet rewarding learning experience. Email: DSABA07@GMAIL.COM 11/18

**NICHOLAS DANIEL NEWMAN**

Position desired: Administrator, Head of School, Teacher

Something seemed off, working in the public school system. Especially in the move toward an all encompassing focus on STEM education, on "real world" education, to the exclusion of the liberal arts. The academic freedom of the teacher becomes more and more infringed upon, and academic rigor evaporates. As these changes morph what I loved into something almost unrecognizable over the past few years, I began to think about how I would create an educational system, one run collegially, allowing for academic freedom of the faculty, holding fast to time honored teaching methods, based on a discussion of primary texts. Such an education would understand that the purpose of an education is to understand fundamental truths of personhood as an image and likeness of God.

Four years ago, I began teaching at a small, liberal arts college, Northeast Catholic College. Here, to my surprise, I found that my inclination for how an education should work already exists, a Classical Education. My experience in teaching at Northeast Catholic has led me to grow dissatisfied with the philosophy of education at the public schools to the point I no longer feel compatible. I realize that God is pushing me to move on and has instilled in me the desire search out opportunities in which I can better carry out His will. Teaching or being an administrator at a Classical, Christian school would be such a God given opportunity, in which I can make a real difference in the life of a student.
