What blessings have you experienced this week? (Can be school-related or not...) If you are comfortable with us sharing these in Morning Meeting, please let us know. We would love to publicly thank God for His provision during this time.

Your answer

What are your prayer requests? Please let us know if we can share these publicly and pray for them as a school. (If you say no, only the Summit Administration will see them and pray for you privately.)

Your answer

Do you have one or more children whom you would like to conference about next Friday? We don't feel this is needed from our perspective for most students as we will have not had in-person classroom time with students in almost 3 weeks by this point, but we want to give you an opportunity to touch base with the teacher if there are pressing concerns. It would be a brief Google Meet session or a phone call with his/her teacher. If yes, please write the student's and teacher's names below and any detail about your concerns. Please feel free to say it's unneeded at this time and take the day off!
